This is an in-class assignment, completed on the date indicated. You may or may not be able to make it up—this is entirely at the instructor's discretion. To inquire, please visit the instructor in person during office hours within two weeks of missing this class, or by the last scheduled office hour appointment of the quarter, which ever is earlier. Email inquiries about missed in-class assignments will NOT be considered unless there is documentation of an extreme case (e.g. hospitalization, family emergency, severe crisis requiring professional attention.)

(1) (10 pts) Fill in the information below. Also, fill in the A-Z header by

- **coloring in** the first letter of your first and last name (as it appears in Gauchospace),
- writing **either 9,10,11,12,1 or 2** to indicate your **discussion section (lab)** meeting time
- writing your **first and last initial** in large capital letters.

All of this helps us to manage the avalanche of paper that results from the daily homework.

name:	
umail address:	@umail.ucsb.edu

If you collaborated with AT MOST one other person on this homework, write his/her name below. She/he should also have your name on his/her paper.

Gathering some info (section swaps, conflicts, prepartion)

This is a participation assignment. You get points just for attending lecture and participating.

(2) (5 pts) Are you currently registered for the course?

Circle one: YES NO

(3) (5 pts) What is your perm number:

(4) (5 pts) Do you have a College of Engineering (CSIL) account yet?

Circle one: YES NO

If you answered yes, what is your CSIL id?

If you answered no, you NEED TO CREATE ONE ASAP. Visit https://accounts.engr.ucsb.edu/create

(5) (5 pts) Do you have a conflict between any part of lecture (5:00-6:15, Mon/Wed) and any part of any other course (even just 5 minutes), or any other obligation?

Circle one: YES NO

(6) (5 pts) Do you have a conflict between your assigned discussion section (lab) and any other course?

Circle one: YES NO

If you said yes, circle the section you are in NOW that does not work:

9-9:50am 10-10:50am 11-11:50am noon-12:50pm 1pm-1:50pm

If you said YES--OR if you are NOT REGISTERED FOR HE COURSE, circle at least one that COULD work for you. Do this even if that section is currently full. You may circle more than one if there is more than one possible choice. If you have a preference, indicate that preference.

9-9:50am 10-10:50am 11-11:50am noon-12:50pm 1pm-1:50pm

Please turn over for more...

(7) (5 pts) Repeat your name here: _____

(8) (5 pts) Repeat your perm number here: _____

(9) (5 pts) Which of the following is an accurate and truthful description of the previous extensive programming experience at the college level that qualifies you for CS16 prerequisites? **Answer truthfully.**

Please note that answering in a dishonest manner will be considered a form of academic dishonesty and may subject you to disciplinary penalties through UCSB Judicial Affairs.

CHOOSE ONE by circling:

(a) I took CMPSC 8 at UCSB and got a C or better.

(b) I took AP Computer Science in HS, AND took the AP exam AND got a score of 3, 4 or 5, giving me credit for CMPSC 8

(c) I earned a grade of C or better in a Community College course in programming (specify when, where, what course.)

(d) None of the above apply. In this case, you will need to drop the course, because you do not have the pre-requisite. We will be checking to verify the accuracy of these statements, so it is your best interest to be honest and up front about this.

In the past, we have allowed students that were "self-taught" or had some other form of background to take CMPSC 16 without taking CMPSC 8 first. That is no longer the case.

(10) Please sign and date to indicate that the statements on this page are truthful, and that you are understand that to make a misrepresentation here is a form of academic dishonesty.
